

Lava Man
vs.
Tom the Monster

By: Cameron Phillips

There was a evil Monster named Tom he had big feet with really sharp toenails. He lived all alone outside of city. He didn't have a family, because his parents were in jail for being evil too.

Tom's house was scary.

Whenever people drove by they
were very scared.

So, one day Lava Man
destroyed Tom the Monster's
house. Lava Man thought it
would be better for the whole
city if Tom and his evil house
were gone.

Lava Man and Tom the Monster did not like each other.

Lava man liked good guy but Tom was evil!

Tom was very angry that Lava Man tried to get rid of his house.

He ran to the city and yelled “YOU’RE GOING TO SAY SORRY FOR THIS, LAVA MAN!!”. Tom the Monster wanted to get back at Lava Man, he was going to take over the city.

Lava Man wasn't going to let that happen. "THESE PEOPLE
WILL NOT LET YOU TAKE OVER THE CITY!" he shouted
back. That made Tom the Monster even more angry!

Lava Man and Tom began to fight. Lava Man shot lava out of his mouth.

It was very hot, it hurt Tom badly! He ran away.

Lava Man was a giant
he was not scary. He
was a friendly Super
Lava Man. He didn't like
people that boss others
or treat people bad.

Tom's army were very mean to people. So Lava Man had to protect the people in the city. The city was very big, Lava Man couldn't beat Tom's army without help. So then the people of the city realized that Lava Man needed help.

The city and Lava Man worked together to scare Tom and his Army away. "We will never come back again!" they promised.

After the city had been saved from Tom the Monster the city yelled "Thank you!" to Lava Man. The Leader of the city stood up in front of everybody and said, "we can protect our own city now, Tom the monster is gone!"

Once everyone was safe and
happy Lava Man went home to his
family to live happily ever after.
