

Attack of Beef Beast

By: Oliver Neer

Long ago Mr. and Mrs. Pretzel lived in a house far away. They had a hotdog pet named Mustard. Mrs. Pretzel was playing the drums while Mr. Pretzel listened.

Mustard was worried about Bad Guys.
He has special sense that warns him
when something bad is about to

Suddenly Mr. Pretzel thought he heard a tornado outside.

CRASH! He ran outside to check it out.

It wasn't a tornado... it was BEEF BEAST! "AHHH!" he shouted.

Beef Beast was evil
and trying to take
over the world.

“You’re not going to
beat me” yelled Beef
Beast. He was big,
scary, and bad!

Mr. and Mrs. Pretzel were SuperHeros for their city. They had to protect the world from bad guys. They began to fight against Beef Beast.

POW, CRASH, SLAM!

Come on!" they yelled. They worked together to protect the world

Tomato Tornado arrived to help too! He used his powers and said
"I'm smarter than you!"

By working together they were able to beat the Beef Beast. They put him in jail and told everyone that they were okay.

The lived happily ever after.

Mr. and Mrs. Pretzel lived happily ever after with their hot dog Mustard. Tomato Tornado moved in with them.
